*you're invited!*

*Wow. what a Simcha!*

I hope you enjoyed listening to this incredible album as much as I did performing it.

At this time, I'd like to express Shevach v'hodoah to the Ribono Shel Olam for granting me the opportunity to bring joy to Klal Yisroel through music and song.

I am grateful for the chance to sing for thousands of Chassanim and Kallahs.

**A special thanks to Chaim Bokchin** and Energy for joining me on this amazing project.

I extend my appreciation to Zinger-i, my fellow music friends, and everyone who contributed to enhancing this beautiful experience.

Heartfelt gratitude to my family and friends for always standing by my side, to my fellow music partners and colleagues in the music industry, and, of course, to you, the listeners, music lovers, and fans.  
Thank you so much!
