

Thank You

Thank you to Hakadosh Baruch Hu for giving me the siyata dishmaya to finish yet another production, and for giving me the opportunity to do what I love day in and day out. I couldn't accomplish anything without you.

Thank you to my wife Raquel for being my best friend in the world and always being there for me. I could not have done any of this without your endless support.

To my dear children Tamar, Leah, Abie and Pearl. Thank you for being the sweetest most beautiful children I could have ever asked for. Your love and support keep me going every day.

A special thank you to my incredible Producer Yitzy Waldner. A true friend and mentor. Thank you for being everything that I needed. You have guided me throughout every detail of this project. You push me every day to be better than yesterday, breaking limits and boundaries I've never thought were possible. Thank you for truly exemplifying to me the meaning of Hakol Mishamayim, always reminding me that everything comes from Hashem. L'chaim to another great round!

To the greatest breakfast buddy, Doni Gross. This production couldn't have been done without you. I so much appreciate all of your patience with me in and out of the studio. It was the

good laughs that got us through our 8 hour vocal sessions! You're the man!

A big thank you to the amazing team at Playmasters studio, Ian Freitor, Daniel Kapler and Vlad Orzhekhovskiy. You guys continue to out-do yourselves with every arrangement I send your way. Was an absolute pleasure working with all of you. Looking forward to doing more work together soon!

A special thanks to my parents and my In-laws for their constant love and support. I hope to continue making you proud!

*Sometimes his plan ain't so
easy to see*

*But I know that he's taking
care of me*

*So I do away with my vision
for today*

*And I let things play out in a
Godly way*

*My little human eyes just
don't get the picture here*

but I got no reason to fear

יודע מה אני רוצה היום
אבל הכל משתנה פתאום
וזה בסדר, אני לא אשם
כי זה רצון ה'

אני הולך, לא רואה ת'הסוך
מאמין שיהיה רק טוב
אני קטן כן אני קטן והתמונה גדולה

וכל מה שקורה זה סבבה
לא מפחד משום דבר
כי אני בידיים של אבא שלי

הכול משמים
עצום ת'היניי

Walking down the streets I look alive
No one knows what's going on inside
So much I cannot do just wanna be more
like you
Doesn't even pay to try

I know 1 billion stars come out at night
each one with their own purpose their own
light
those stars are just like me each their own
identity
It's all in my state of mind

Because I'm One in a million....
in a million I'm one in a million in a million....
I know in my heart no one can play my part
That makes everyone of us one in a
million...

I look into the mirror and I ask
What do I gain when I compare and I
contrast
Although I'm not like you
There's a job only I can do
There's no one else on my path

I look into the distance and I smile
I know that no one else can walk my mile
In my world there's only me no one else I'd
rather be
There's nothing more that I need...

Every time I think about all I want to be
I find it so impossible why can't I just see
That I have everything I need to be the best
that I can be Yes I believe

עוד נעלה לשם ברגל לבקר את
המקדש
זה המקום
החלום
זה חלום מתוק זבת חלב ודבש
זה המקום
החלום
עוד נעלה לשם ברגל לבקר את
המקדש

זה הבית הוא בית אוהב
וגם אם התרחקנו הוא נשאר
בתוך הלב
זה המקום
החלום
זה חלום שהוא ישן וגם חדש
זה המקום
החלום

זה הבית
הוא בית טוב
זו הארץ שרצינו עד מאוד
זה הבית ונאמר אהלן
שלום עליכם לכל מי שבא לבאן
זה הבית
הוא בית חם
מגישים אליו מכל קצוות עולם

תפילה מיוחדת
לך מיועדת
היא אחת על פני תבל
שרק אתה יכול להתפלל
תפילה מיוחדת
היא תלויה ועומדת
ואין אדם אחר מכל הדורות
שיכול להתפלל את התפילה הזאת

לכל אדם ואדם יש תפילה משלו
עם תיקון מיוחד וסוד
לכל תפילה ותפילה יש מקום משלה
ליד כסא הכבוד

*You've got a prayer
somewhere deep inside
It's gotta find a way
up to the skies
Part of your destiny since the
beginning of time
All of the angels stand
ready to bring
Your special prayer to the
throne of the King
So go on and pray cuz
He's waiting to hear your cry*

בוקר טוב עולם	בכל יום מחדש
בוקר שכזה	אני מודה אני
כל החושך נעלם	נרגש
איזה יום יפה	כל נשימה
אי שם שמייים	חיים במתנה
בהירים מעלינו	בכל יום מתעלה
יש מישהו שם	הלב מרגיש
והוא שומר עלינו	ומתמלא
יש מישהו שם	ומתוכי
תמיד שומר	פורצת מנגינה
עלינו	
בוקר טוב עולם

Turning through pages of
our history
all through the ages it's
hard to believe
Was there ever a time with
no need to fear what
tomorrow will bring will our
sun reappear

Everywhere I turn its so
clear to see
the faces of struggling
calling out to me
Poverty and suffering its
laced in our tracks
so many young children
who fall through the cracks

I can be up all night thinking
of all the pain when will we
see our sunrise

the light of a better day
Tell me how long will it take

I just wanna close my eyes
thinking of a better place
a world we're afraid no
more
A world we can embrace
Tell me why we still wait

It's been too long too much
pain and sorrow
We live through our hope
for a better tomorrow
We must hold tight to a
dream that seems far
We're closer than ever right
where we are

there will come a time
our questions will fade

As they turn into answers
as night turns to day
the sun will shine bright
reasons now clear
the light from our darkness
the spark from our fears

We will be up all night
celebrating all the pain
How did we ever doubt
the tears we've shed in vain
We could have danced in
the rain

Now I open my eyes it's
there for all to see
hidden from the world
before
no longer a mystery
We were missing a page of
our story

טוב ה' לכל
ורחמיו על כל
מעשיו

הודו לה' כי טוב
כי לעולם חסדו

8. TOV HASHEM

While I'm asleep
You're always wide
awake
With never a break
By day or at night
You keep me in your
sight
And it's a gift I won't
take for granted
I'm just thanking yeah
לא ישן You're the One
You're the guardian
watching us all

הנה לא ינום ולא ישן
שומר ישראל

אין אנחנו מספיקים
להודות לך ה'

Hashem I praise you for
all that you do
So many blessings I know
they're from you
Can't even count em
How can I ask for more
And there's an answer
that comes from above
You are my child wanna
show you my love
Just keep on asking me
Go on and ask for more

מודה אני לקל עליון
על חסד שעושה אתי
מודה אני לו בכל יום
שהחזיר בי נשמותי

מודה אני על מה שיש
ותמך נותן כל כך הרבה
ואין אוכל עוד לבקש
שיתן יותר מזה

בני אתה
שאל ממני ואתנה
אני היום ילדתיך

13. FRIENDS

Take a drive,
Down the highway of life,
Give me five,
My friend,
Here we are,
We're together again,
And remembering when we met,
All the games,
All the jokes that we laughed at,
The pain,
That we shared,
And we knew,
That no matter what came,
Our bond would remain the same,

I can travel down any road,
Cause I know that I'm not alone,
I've got my friends and their

loyalty,
I've got my friends who always see the best in me,
I got my friends every step of the way,
My friends have helped to shape the man I am today

All the years,
All the good and the bad,
You were there,
My friends,
And the times,
When I stumbled and fell,
You would help me get up again,
And the smiles,
That the memories bring,
Keep me going through everything,
There's a song,
That together we sing,

Sheves Achim Ma tov Manayim,

I'm up and down the mountain,
I'm not afraid,
I'm hanging with my friends,
I know they're with me all the way,
I know they're here with me to stay,

I've got my friends on the sunny days,
I've got my friends in the thunder storms and pouring rain,
And when I see them I know I'm ok, my friends have helped to shape the man I am today

I like to draw and paint
I like to wake up late
But I don't like to clean my
room
I like when Mommy bakes
The Challah and the cake
Sometimes I get to lick the
spoon

I can get up and stand
If someone holds my hand
Then I can walk along my
way
I like to talk to you
And when you listen to
Whatever I have got to say

We can all sing
We can all sing
We can all sing B'yachad
Yachad
We're creating B'yachad
It's a special harmony

I like to ride my bike
And I enjoy a hike
I play piano and I sing
I love my family
Sometimes I'd rather be
Alone away from everything

I like to be with friends
And to connect with them
I like to feel that I belong
We aren't quite the same
But really that's ok
I know that we can get along

Cause both you and I
See the same blue sky
We're under one star
Let's bridge the distances
Forget our differences
Wherever we are

Sometimes I'm really brave
Sometimes I feel afraid
And I don't always toe the
line
Sometimes I fall and then
I get back up again
Nobody's perfect all the time

I like when people see
the good I have in me
We all can give in our own
way
Let's spread the love around
Our differences don't count
Let's make the world a better
place
