Thank You So Much To...

First and foremost, I thank **HASHEM** for blessing me with the ability to bring smiles to people's faces through music every day.

MY WIFE RACHELI AKA SUPERWOMAN!- I know that my late nights singing at simchas and working in the studio can be challenging for our family. Without you, I wouldn't be able to do what I love. Thank you for making it all possible and for always being my biggest fan!

MY KIDS CHAVA AND AYALA- BH the cutest and happiest kids in the world.

NOCHUM LEVITAN- Where do I start? Your work ethic and dedication to ensuring the music and vocals sound outstanding are truly remarkable for someone your age - way beyond your years. I have learned so much from recording vocals with you! You are incredibly talented, and IYH, you'll achieve major success in this business!! I'm looking forward to continuing our work together!! IGCB

MY MANAGER ILAN SCHNITZER- I can't thank you enough for the amount of work you put into ensuring everything runs smoothly. From setting up my jobs to producing our music, there is no harder worker than you. It's an honor to call you one of my closest friends.

MOE WASSERTHEIL OF I & ME MEDIA- A breath of fresh air! You guys are always incredibly creative, super insightful, and a pleasure to work with. Shoutout to Chaim Zippel, Shaindy, and the entire I & Me team.

ELI MARCUS- Your voice is pure gold. You are one of the most talented people in the industry, and beyond that, you are one of the kindest and nicest individuals I know! I couldn't have chosen a better person to join me on this album. Thank you for bringing so much simcha to the world. #keepdigging

MY PARENTS- From the shy kid you raised to now performing at hundreds of simchos and concerts, I wouldn't be where I am today without you both! You've always encouraged me to do more and to reach higher, all the while ensuring I had the finest mentors along the way. Thank you for everything!

MY IN-LAWS- You couldn't have picked a better son-in-law - just kidding! Every day, I thank Hashem for blessing me with the best in-laws I could have ever hoped for. Who else can boast having their in-laws as their biggest fans and groupies!

RABBI AND REBBETZIN LEVITAN- Thank you for opening your home to us. We hope you're not sick of the album by now!

TZVI, RAFI, EYAL AND OF COURSE, NOCHUM- The music you guys created took this album to a whole new level!! It was truly a pleasure collaborating with you. Wishing you all tremendous hatzlacha!

Producer Special Thank You's

TATTY AND MOMMY LEVITAN- Thank you for all the support, love, and most of all the guidance you've given me throughout my musical journey. From the early days when my music was less than tolerable, to the more recent late-night sessions on Erev Pesach (also less than tolerable), you've always been more than patient and supportive of me and everything that I do. Your involvement, compliments, and constructive criticism have meant the world to me. For this and for everything, I thank you from the bottom of my heart.

MY SIBLINGS, GRANDPARENTS, AND MY ENTIRE FAMILY- You guys are the best! Thank you for being my biggest fans and the most amazing people in the world. I couldn't have asked for a better family!

ILAN SCHNITZER- Thank you for taking a leap of faith in choosing and entrusting me with this project. Your sense of responsibility and achrayis, perfectly balanced with your wit and sarcasm, is such a refreshing thing to see. I am truly honored to call myself your friend.

SRULLY NACHFOLGER- Thank you for opening up your studio to us and allowing us to use it as if it were our own. The amount of good times and high energy that cozy room is responsible for is incalculable! We cannot thank you enough!

MOSHE TISCHLER- Thank you for granting me the pleasure of creating this album together with you. At the beginning of this process, I was a complete stranger to you, with little to no credibility. I don't know what made you choose me, but I am so grateful that you did. Working with you was a blast, and the good times we've had together are precious. So once again, thank you for entrusting me with this project, but most of all, thank you for your friendship.

HASHEM- וברוך רבים אהללנו Thank You, Bashefer, for the constant, never-ending and everlasting kindness that You bestow upon me. You've blessed me with talents, not because of any merit of my own, nor because I requested them, but purely out of Your kindness. I hope I'm utilizing them for worthy purposes and that I am making You proud.

Thank You
