# THANK YOU

GRAHAM PARKER  
for believing in me from  
the start and giving me the  
opportunity of a lifetime.

From our first conversation in  
a Brooklyn coffee shop to the  
important meetings in your  
office, you've always shown  
what a true mensch you are.  
I've learned so much from  
you in the music industry, in  
business, and most of all, as  
a human being. I am honored  
and proud to consider you a  
friend above any other title.

Additionally, I'd like to thank  
these hardworking and  
devoted individuals who put  
so much effort and thought  
into the album and beyond:

JON COHEN  
The Man, the Music,  
The Mensch. So much talent  
and humility. A rare find.

LYNN LENDWAY  
Your finishing touch  
delivered this gem.

ADAM LEKACH  
You make us all look good.

JOEL KIPNIS (JK)  
You and I are One.

BALEWA MUHAMMAD  
Writing partners forever.

MICHAEL MICHEL  
Achi, en millim...

SANDY WERNICK  
The grandpa I never had.  
You know more than  
I'll ever know.

BRANDON STEIN  
For doing all the legwork.

SYLVIA WEINER  
You always got me covered.

ANDY EINHORN  
You taught me to live and  
breathe the music.

FORD LIVENE  
Your class and style  
is all over this album.

MANDY DALLACORTE  
You graciously led me  
into this new life.

DOVI MEYER  
Legend, mate!

RABBI ROTBERG  
Always guiding me  
in the right direction.

And to my former manager  
YOCHI BRISKMAN

Thank you to all of my family,  
friends and community who've  
supported and helped me  
in so many ways along this  
journey. I wish I could mention  
you all individually, but the list  
would never end. To my fans  
– nothing would be possible  
without you. I appreciate all  
the feedback and stories you  
share with me, cheering me  
on every step of the way.

Above all, I thank G-d  
for blessing me with the  
ability and opportunity to  
communicate with people in  
the "Universal" language of  
music.
